

## **Nethermoss Archers News July 2020**

Welcome to the July 2020 edition of Nethermoss Archers News. We hope you and your families are keeping well in these difficult times. Archery is certainly different this summer but those who have tried our restricted shooting arrangements have found it very enjoyable. Not least because you don't have to set up a target, just arrive and shoot! You can make a booking via [nethermoss-archers.reservio.com](https://nethermoss-archers.reservio.com). 2 hour sessions are available 7 days a week, 8am to 6pm. You can even book the entire field for your sole use if you feel uncertain about shooting with others. The Scullery Restaurant is now open (see Hurlston Hall website) so toilet facilities are available. Please contact any committee member if you would like some individual help in getting back up to speed or have any query about the arrangements.

### **Competition news – Archery GB Summer Metrics**

The Archery GB Summer Metrics competition is open for outdoor scores submitted during June, July and August. Scores are collated nationally so this is a good way to compare your shooting with others around the country. Rounds are as follows:

Short metric 1	50/30m	Seniors and boys under 18
Short metric 2	40/30m	Boys under 16
Short metric 3	30/20m	Novices (under 1 year shooting) Boys under 14 Girls under 16
Short metric 4	20/10m	Boys under 12, girls under 16
Short metric 5	15/10m	Girls under 12

Please let us know if you would like to take part. If there is sufficient interest we will move the targets to these metric distances. You are allowed to shoot the round over 2 separate days.

### **Beginners Courses**

We are now allowed to run beginners courses under Archery GB rules. However, numbers are restricted to 4 per course. Our courses start on Saturday 18<sup>th</sup> July, 11am to 1pm and 2pm to 4pm and Saturday 29<sup>th</sup> August, 11am to 1pm. If you have friends or family who would like to join a course then please let us know. Also, as always, we welcome any help from members be it instructing, moving targets and equipment, or just moral support (eg cakes!). These courses are vital to the future viability of the club so please contact us if you can help in any way.

**We look forward to seeing you soon!**
